Flooding:- Highways Environmental and Drainage Board did their best, shortage of funds given as reasons to getting it right. Clerk to receive an email with emergency phone numbers.

Highways;- progress update on the scheduled work to move the 30mph signs out beyond the bus shelter. Work has been issued to our contractor so I would hope these would be delivered in the next couple of months.

RFO's:- An update will be forthcoming when Cllr Bunney has received a response.

RAF Scampton:- This is a court matter, only way to stop the current home secretary. A special police station has been put on site but this is not funded.

Flytipping and any problem roads:- It was discussed about micro dot cameras at problem sites but the quality needs to be sufficient to be used as evidence for conviction. Better to report on WLDC website rather than fix my street.

Scunthorpe Hospital:- There are not enough staff to cover A&E units overnight so it is proposed to combine Scunthorpe and Goole with Grimsby. A meeting is scheduled for 1st December and public consultations to take place in Scotter and Gainsborough.

Neighbourhood Policing model

The 'new' Neighbourhood Policing model has now gone live and a Police commitment booklet for your awareness has been placed in the notice board at Snitterby Village Hall. Please do not remove this copy, if you wish a personal copy emailed to you a request can be sent to snitterbyparishcouncil@hotmail.co.uk Under the 'new' model they are focusing on Evidence Based Policing which takes into account the Crime Harm Index and will allow them to appropriately focus their resources in high harm areas, this will explain why some areas have an increase in staffing numbers.

Snitterby Parish Councils request for a Traffic Regulation Order has been taken forward by Cllr Bunney, awaiting outcome.

Fix My Street

472322 [Hedges and kerbs](#) OVERGROWN

We are sorry but we are not taking immediate action with this report because there is enough passing space for pedestrians to get by without there being an immediate danger. The leaves / mud on the footway is due to the time of year and therefore if we raised a job it will reappear soon after. However, we will continue monitoring the area as part of our policy. Thank you for reporting this matter.

State changed to: Closed

Great news, we've had a look at the issue and we have now passed to our Highways Officers for the team to assess what can be done to resolve the matter. We'll let you know when the assessment has taken place.
