38/2425	Co-option of Parish Councillor None received
39/2425	District and County Councillor reports and feedback Cllr.S.Bunney report received:- Scampton Update:- The Government have definitely decided not to go ahead with the Assylum Centre. Discussions are about to begin on the future use of the site and WLDCs involvement. WLDC still wish to develop it as an Industrial Park and Heritage Destination. Devolution:- The Government have given the go ahead for Devolution. Police:- I am still concerned about the level of policing etc. in the area. The Chief Constable states Neighbourhood Policing and safety is one of his priorities but has not provided the level of staff to bring this about. A meeting is to be arranged October or early November for Inspector Head to talk to Parishes about this. Church Lane Potholes:- I am aware that residents are concerned about the state of the roads. I have discussed with Highways and have provided some further photographs in the hope that we can move the project up the priority level. The Reference Numbers for the Road are 2814323 [reported 4/8/24] and 2817088 [reported 4/9/2024]. Both reports have been selected for further work but given a time period of at least 3 months from reporting. Elderly:- Along with many others WLDC and LCC are concerned about the removal of the Winter Heating Allowance for many pensioners in the area. Both councils have passed a motion asking the Government to tackle the issue in The Financial Statement - especially for those on Pension Credit and just above the threshold limit. Any pensioners eligible for pension credit who requires help in applying can arrange for an officer to contact them, or even visit.
