1.2. Councillors are expected to follow these regulations and not entice employees to breach them. Failure to follow these regulations brings the office of councillor into disrepute.

1.3. Wilful breach of these regulations by an employee may result in disciplinary proceedings.

1.4. In these Financial Regulations:

- 'Accounts and Audit Regulations' means the regulations issued under Sections 32, 43(2) and 46 of the Local Audit and Accountability Act 2014, or any superseding legislation, and then in force, unless otherwise specified.
- "Approve" refers to an online action, allowing an electronic transaction to take place.
- "Authorise" refers to a decision by the council, or a committee or an officer, to allow something to happen.
- 'Proper practices' means those set out in *The Practitioners' Guide*
- *Practitioners' Guide* refers to the guide issued by the Joint Panel on Accountability and Governance (JPAG) and published by NALC in England or Governance and Accountability for Local Councils in Wales – A Practitioners Guide jointly published by One Voice Wales and the Society of Local Council Clerks in Wales.
- 'Must' and **bold text** refer to a statutory obligation the council cannot change.
- 'Shall' refers to a non-statutory instruction by the council to its members and staff.

1.5. The Responsible Financial Officer (RFO) holds a statutory office, appointed by the council. The Clerk has been appointed as RFO and these regulations apply accordingly. The RFO;

- acts under the policy direction of the council;
- administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
- determines on behalf of the council its accounting records and control systems;
- ensures the accounting control systems are observed;
- ensures the accounting records are kept up to date;
- seeks economy, efficiency and effectiveness in the use of council resources; and
- produces financial management information as required by the council.

**1.6. The council must not delegate any decision regarding:**

- **setting the final budget or the precept (council tax requirement);**
- **the outcome of a review of the effectiveness of its internal controls**
- **approving accounting statements;**
- **approving an annual governance statement;**
- **borrowing;**
- **declaring eligibility for the General Power of Competence; and**
- **addressing recommendations from the internal or external auditors**

**1.7. In addition, the council shall:**

- **determine and regularly review the bank mandate for all council bank accounts;**

**2.2** The Clerk/RFO shall prepare, for approval by the council, a risk management policy covering all activities of the council. This policy and consequential risk management arrangements shall be reviewed by the council at least annually.

**2.3** When considering any new activity, the Clerk/RFO shall prepare a draft risk assessment including risk management proposals for consideration by the council.

**2.4 At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.**

- **prevent and detect inaccuracy or fraud; and**
- **allow the reconstitution of any lost records;**
- **identify the duties of officers dealing with transactions and**
- **ensure division of responsibilities.**

- 2.6 Every 6 months and at each financial year end, a member other than the Chair or a cheque signatory shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign and date the reconciliations and the original bank statements (or similar document) as evidence of this. This activity, including any exceptions, shall be reported to and noted by the council.
- 2.7 Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. 3.1 All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

3.2 **The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonably accuracy at any time. In particular, they must contain:**

3.3 **The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.**

3.4 **Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.

3.5 The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.

3.6 The internal auditor shall be appointed by the council and shall carry out the work in accordance with proper practices specified in the Practitioners Guide.

3.7 The council shall ensure that the internal auditor:

- is competent and independent of the financial operations of the council;

#### **4. Budget and precept**

**4.1 Before setting the precept, the council must calculate its council tax requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**

4.2 Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the Clerk and the Chair of the Council or relevant committee.

4.3 No later than end of November each year, the RFO shall prepare a draft budget with detailed estimates of all receipts and payments/income and expenditure for the following year, taking account of the lifespan of assets and cost implications of repair or replacement.

4.4 Unspent budgets for completed projects shall not be carried forward to a subsequent year. Unspent funds for other projects may be carried forward by placing them in an earmarked reserve with the formal approval of the council. The draft budget, including any recommendations for use of accumulation of reserves shall be considered by the council.

4.5 Having considered the proposed budget, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

**4.6 Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 06 applies to them.**

4.7 The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.

4.8 The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what is planned.

4.9 Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

## **5. Procurement**

5.1 **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

5.2 The RFO should verify the lawful nature of any proposed purchase before it is made and in the case new and infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.

5.3 Every contract shall comply with both the council's Standing Orders and Financial Regulations and no exceptions shall be made, except in an emergency.

**5.4 For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and Procurement Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**

5.5 Where the estimated value is below the Government threshold, the Council via the Clerk shall seek formal tenders, preferably from at least three suppliers agreed by the council OR advertise an open invitation for tenders in compliance with any relevant provisions of the legislation. Tenders shall be invited in accordance with Appendix 1.

**5.6 For contracts estimated to be over £30,000 including VAT, the council must comply with any legislation regarding the advertising of contract opportunities and the publication of notices about the award of contracts.**

**5.7 For contracts greater than £30,000 excluding VAT, the council must comply with any requirements of the Legislation regarding the publication of invitations and notices.**

5.8 For contracts greater than £3,000.00 excluding VAT the Clerk/RFO shall seek at least 3 fixed price quotes

5.9 where the value is between £500.00 and £3,000.00 excluding VAT, the Clerk/RFO shall obtain 3 estimates (which might include evidence of online prices, or recent prices from regular suppliers)

5.10 For smaller purchases, the clerk shall seek to achieve value for money

5.11 **Contracts must not be split avoid compliance with these rules.**

5.12 The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes;
- ii. repairs to, or parts for, existing machinery or equipment;
- iii. works, goods or services that constitute an extension of an existing contract;
- iv. goods or services that are only available from one supplier or are sold at a fixed price.

5.13 When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council. Avoidance of competition is not a valid reason.

5.14 The council shall not be obliged to accept the lowest or any tender, quote or estimate.

5.15 No individual member, or informal group of members may issue an official order or make any contract on behalf of the council, (unless instructed to do so in advance by a resolution of the council) or make any contract on behalf of the council.

5.16 No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council except in an emergency.

5.17 In cases of serious risk to delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to £2,000.00 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.

5.18 Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- the Clerk, for any administrative items below £50 excluding VAT.
- the Clerk, in consultation with the Chair of the Council, for any items below £500 excluding VAT.
- the council for all items over £500;

Such authorisation must be supported by a minute or other auditable evidence trail.

5.19 No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

5.20 An official order or letter shall be issued for all work, goods and services above £250 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

## **6. Banking and payments**

6.1 The council's banking arrangements, including the bank mandate, shall be made by the RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with Nat West Bank. The arrangements shall be reviewed regularly for security and efficiency.

6.2 The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Even where a purchase has been authorised, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Only authorised payments shall be approved or signed to allow the funds to leave the council's bank.

6.3 All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council.

6.4 Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.

6.5 All payments shall be made by online banking/cheque, in accordance with a resolution by the council or by a delegated decision by the RFO, unless the council resolves to use a different payment method.

6.6 For each financial year the RFO may draw up a schedule of regular payments due in relation to a continuing contract or obligation (such as Salaries, PAYE, National Insurance, pension contributions, rent, rates, regular maintenance contracts and similar items), which the council may authorise in advance for the year.

6.7 A copy of this schedule of regular payments shall be signed by two members on each and every occasion when payment is made - to reduce the risk of duplicate payments. A list of such payments shall be reported to the next appropriate meeting of the council for information only.

6.8 The Clerk/RFO shall have delegated authority to authorise payments only in the following circumstances:

- i. any payments of up to £50 excluding VAT, within an agreed budget.
- ii. payments of up to £2,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.

- iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 {or to comply with contractual terms}, where the due date for payment is before the next scheduled meeting of the council, where the Clerk/RFO certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council.

6.9 The Clerk/RFO shall present a schedule of payments requiring authorisation, forming part of the agenda for the meeting, together with the relevant invoices, to the council. The council shall review the schedule for compliance and, having satisfied itself, shall authorise payment by resolution. The authorised schedule shall be signed immediately below the last item by the person chairing the meeting and another. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of that meeting.

The Clerk/RFO may be an authorised signatory, but wherever practical, no signatory should be involved in approving any payment to themselves.

7.2 All authorised signatories shall have access to view the council's online bank accounts.

7.3 No employee or councillor shall disclose any PIN or password, relevant to the council or its banking, to anyone not authorised in writing by the council.

7.4 The clerk/service administrator shall set up all items due for payment online. A list of payments for approval, together with copies of the relevant invoices, shall be sent by email to two authorised signatories. In the prolonged absence of the clerk/service administrator an authorised signatory shall set up any payments due before the return of the clerk/service administrator.

7.5 Councillors who are authorised signatories shall check the payment details against the invoices before approving each payment using the online banking system.

7.6 With the approval of the council in each case, regular payments (such as gas, electricity, telephone, broadband, water, National Non-Domestic Rates, refuse collection, pension contributions and HMRC payments) may be made by variable direct debit, provided that the instructions are signed/approved online by two authorised members. The approval of the use of each variable direct debit shall be reviewed by the council at least every two years.

7.7 Payment may be made by BACS or CHAPS by resolution of the council provided that each payment is approved online by two authorised bank signatories, evidence is retained and any payments are reported to the council at the next meeting. The approval of the use of BACS or CHAPS shall be renewed by resolution of the council at least every two years.

7.8 If thought appropriate by the council, regular payments of fixed sums may be made by banker's standing order, provided that the instructions are signed or approved online by two members, evidence of this is retained and any payments are reported to council when made. The approval of the use of a banker's standing order shall be reviewed by the council at least every two years.

7.9 A list of all payments made in a month shall be provided to the next council meeting.

7.10 Account details for suppliers may only be changed upon written notification by the supplier verified by the Clerk/RFO and a member. This is a potential area for fraud and the individuals involved should ensure that any change is genuine. Data held should be checked with suppliers every two years.

8.3 To indicate agreement of the details on the cheque with the counterfoil and the invoice or similar documentation, the signatories shall also initial the cheque counterfoil and invoice.

8.4 Cheques or orders for payment shall not normally be presented for signature other than at, or immediately before or after a council meeting. Any signatures obtained away from council meetings shall be reported to the council at the next convenient meeting.

10.6 Each payment to employees of net salary and to the appropriate creditor of the statutory and discretionary deductions shall be recorded, with the total of such payments each calendar month reported in the accounts. Payroll reports will be reviewed by the council to ensure that the correct payments have been made.

10.7 Any termination payments shall be supported by a report to the council, setting out a clear business case. Termination payments shall only be authorised by the full council.
